

Candles

Chanukah day 8

Chanukah is coming to an end, and to remember this special holiday, we will spend some time reflecting what this time has taught us.

- 1 Inside this envelope there are 6 dreidel cards with some teachings from the candles. Observe the candles from your menorah and think what else have you learned this year of Chanukah.
- 2 Discuss with your family and write down your thoughts on the empty dreidel cards.
- 3 Cut the dreidel from the card and punch a whole through the circles in the corner. Then use the string from the other activities to tie all the cards together and hang them on the wall.

Activity 8

Colour in the last doughnut.

COMPLETED
