

Beit Hamikdash

Chanukah day 2

Did you know...

The Second Temple, known in Hebrew as the Beit Hamikdash, was the reconstructed Holy Temple in Jerusalem which stood between 516 BCE and 70 CE. It is also known as Herod's Temple. During this time, it was the center of Jewish life.

Let's make a menorah window display

You can also find a video instruction on Day 2 of the Chanukah Box website, www.jewishislington.co.uk/chanukah-box

You will need...

Black card
Any other colour will also work.

Scissors

Glue Stick

Black felt pen

Yellow pencil

Colour pencils, pens or paint

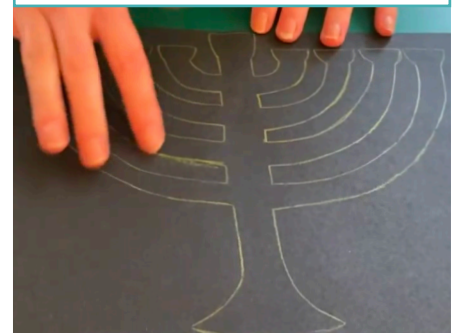

- 1 Cut out all of the templates on the white card. You should be left with 9 rectangular candle sticks, 2 flames & your menorah.

- 2 Next, take your cut out white menorah template and carefully draw around it with a yellow pencil onto black card.

- 3 Cut out your menorah, cutting off the yellow lines if possible. Put this to one side.

Let's make a menorah window display

4 With your black felt tip pen, draw around the largest flame template 9 times on one of the coloured cellophane and cut these out. Repeat with the smaller flame using the other coloured cellophane. You should be left with 9 large and 9 small flames.

5 Next, colour in both sides of your candle sticks however you like, using pencils, pens or paints.

6 Add a little bit of glue to the top of each candle and stick the large flames to them. Then add a tiny bit of glue to your small flames and stick them on top of the large flames.

7 You should now have 8 Chanukah candles and 1 Shamash. You can add 1 candle a day during the 8 days of Chanukah by gluing them to the Chanukiah. Stick this to your window to share your creation with others.

We hope you enjoyed making your menorah window display, and from everyone at Little Angel Theatre... have a very Happy Chanukah!

Activity 2

COMPLETED

Time to colour in your second doughnut!
