

Shalom!

Chanukah is finally here and we're happy to present you with this fun activity box to help celebrate the eight day festival of lights. Come and embark on this interactive journey while learning all about the story of Chanukah and its meaning.

How to make the most out of this box:

1. Each day pull the string with the corresponding Chanukah day. Do this carefully so you don't remove the chips from the box!
2. Read through and complete the activity.
3. Once you have completed the activity, colour one of the eight doughnuts. At the end of Chanukah you should have 8 tasty colourful doughnuts!

TIP: save the string from each activity, it will come handy at the end!
